ORDER

11 Civ. 4721 (DAB)(KNF)

The parties were directed to serve and file any dispositive motions on or before September 14, 2012. Neither party complied with the Court's order by filing a motion timely. The parties now seek relief from the filing deadline from the Court, through separate correspondence dated September 17, 2012. Inasmuch as the Court previously enlarged the time for the parties to submit dispositive motions from September 12 to September 14, 2012, their respective requests, for relief from the September 14, 2012 deadline for filing dispositive motions, are denied.
